

## Yearly Minimum Requirements For TTSAR

1. Current CPR / First Aid card.
2. A 24 hour pack ready at all times for missions and for inspection. A member needs to prove knowledge of their 24 hour pack contents and the use and care of those items through check lists and oral questions.
3. Current National Incident Management System (NIMS) Incident Command System (ICS) certification. The required courses for certification are IS-100.a (Introduction to the Incident Command System) and IS-700.a (National Incident Management System, An Introduction). Both courses are normally offered online at the FEMA website.
4. General GPS, compass and map knowledge:
  - 1) Enter and find waypoint from given coordinates.
  - 2) Mark and name a waypoint and locate the waypoint.
  - 3) Demonstrate compass-to-map orientation.
5. Knots: Demonstrate how to tie the following :
  - 1) Figure-eight knot
  - 2) Figure-eight on a bite knot
  - 3) Double Fisherman's knot
  - 4) Water knot
6. Attend 50% of scheduled trainings.
7. Attend 50% of monthly meetings.
