Yearly Minimum Requirements for TTSAR

1. Maintain personal skills and equipment.
2. Operate in a professional manner at all times.
3. Hold current CPR/First Aid certification, on file at SAR office.
4. Maintain a 24-hour pack, ready at all times for missions and for inspection. These packs will be checked throughout the year as Team Leaders inspect them at the beginning of each season. Checklists to be kept on file at the SAR office.
5. Current National Incident Management System (NIMS) Incident Command System (ICS) certification. The required courses for certification are IS-100.b (Introduction to the Incident Command System), IS-200.b (ICS for Single Resources and Initial Action Incidents) and IS-700.a (National Incident Management System, An Introduction). Courses are normally offered online at the FEMA website.
6. General GPS, compass and map knowledge:
    1. Enter and find waypoint from given coordinates.
    2. Mark and name a waypoint and locate the waypoint.
    3. Demonstrate compass-to-map orientation.
7. Demonstrate how to tie the following:
    1. Figure eight knot.
    2. Figure eight on a bite knot.
    3. Figure eight follow through.
    4. In-line figure eight.
    5. Double fisherman's knot.
    6. Waterknot (webbing).
    7. Bowline.
    8. Basic 3:1 hauling system.
8. Attend 50% of monthly scheduled TTSAR team meetings.
9. Only perform technical skills for which the member is proficient.
10. Abide by all TTSAR Standard Operating Procedures (SOG) and Bylaws.
